	Yes No N/A	Comment Box – Compulsory - Assessors to complete. A comment is required in each box with a clear description of what was observed within the session. 'N/A' may be entered if a situation has not arisen and cannot be evaluated.
Learning Outcome 1: Pre-match preparation		
1a. Were they punctual? (15 minutes in advance is expected, although leniency will be given if the referee is involved in another fixture immediately beforehand)		
1b. Did they make an introduction to the teams? (Checking nails, jewellery and speaking to the captains)		
1c. Did the referee warm up? (In a triple fixture, a previous match can count)		
1d. Was the clothing appropriate? (Suitable for running, different from the playing teams' colours)		
1e. Did they have the correct equipment? (Cards, whistle, notebook, pen)		
Learning Outcome 2: Communication		
2a. During the Game (Verbal and non-verbal communication towards players, coaches and other individuals is at an appropriate time and in an appropriate manner)		

2b. After the game (as 2a, but only if a situation arises)		
2c. Did they show good use of the whistle?		
2d. Did the referee demonstrate a good understanding of the signals?		
2e. Were signals used consistently throughout the game?		
Learning Outcome 3: Interpretation of the rules		
3. Did the referee demonstrate a good understanding of the following:		
3a. Re-starts		
3b. Free pass		
3c. Penalties		
3d. Substitutions		
3e. Defended shots		
3f. Running		
3g. Cutting		
Learning Outcome 4: Control of contact		
4a. Did the referee demonstrate control of 'over-physical' play?		
4b. Did the referee demonstrate correct use of advantage?		
4c. Did the referee deal with repeat physical infringements in a suitable manner? (either through verbal communication or an appropriate type of re-start)		
Learning Outcome 5: Dealing with misconduct		
5a. Verbal Misconduct (if a situation arises)		
5b. Physical Misconduct (if a situation arises)		
Learning Outcome 6: Positioning		

6a. Was the referee positioned close enough to the play?		
6b. Did the referee regularly adjust their position to the needs of the game?		
6c. Did the referee have suitable speed of movement around the pitch?
